**All 534 New Words in Biblical Hebrew Beginning Mem and Nun,
with the Cognate Language They Depend On**

David J.A. Clines
University of Sheffield

Note 1: There are 100 words (at the end of this list) for which no cognate has been noted by me; many of these will depend on an already known Hebrew word.

Note 2: The data in square brackets show in which corpora the word occurs (B = Bible, Si = Ben Sira, Q = Qumran, I = Inscriptions), and the total number of occurrences (including occurrences in emendations).
